THE MYSORE INVENTIONS AND DESIGNS REGULATION, 1894.

CONTENTS.

SECTIONS.

1. Title, extent, and commencement.
2. Repeal.
3. Division of Regulation into Parts.

PART I—INVENTIONS.

4. Definitions.
5. Application for leave to file specification.
6. Order to file specification.
7. Applications in respect of contemporaneous inventions.
8. Acquisition and continuance of exclusive privilege.
9. Form and contents of specification.
10. Mode of filing application and specification.
11. Delivery and distribution of copies of specification.
12. Register of inventions.
13. Address-book.
14. Provisions with respect to the register and book.
15. Extension of exclusive privilege.
16. Imposition of conditions with respect to exclusive privilege.
17. Exclusive privilege to bind the Government.
18. Application for leave to file memorandum or amended specification.
19. Effect of amended specification.
20. Bar to exclusive privilege in certain cases.
21. Novelty of invention dependent on public use or knowledge thereof before application to file specification.
22. Effect of public use or knowledge of invention in fraud of inventor.
23. Effect of temporary use of invention in public by inventor or by his leave.
24. Effect of public use or knowledge of patented invention between application for patent and application to file specification.
25. Effect of like public use or knowledge of unpatented invention
26. Effect of public use or knowlege of invention after admission to an exhibition.
27. Cessation of exclusive privilege by order of the Government.
28. Cessation of exclusive privilege on revocation or expiration of patent.
29. Suit for infringement of exclusive privilege.
30. Application to declare exclusive privilege in respect of an invention not to have been acquired.
31. Like application as to part of an invention.
32. Security for costs of application under either of the two last foregoing sections.
33. Application on breach of condition.
34. Notice of proceedings to persons interested.
35. Framing issue for trial before other Court.
36. Order on application.
37. Delivery of particulars.
38. Title of actual inventor to exclusive privilege in case of fraud.
39. Transmission of copies of decrees and orders to the Chief Secretary.
40. Registration of cessation of exclusive privilege.
41. Rectification of register of inventions or address-book.
42. Power for Government to require grant of licenses.

Descriptive Rolls of two life-convicts Bahiru No. 12805-B and Bombda No. 12812-B who escaped from Port Blair on the 24th March 1894.

Serial No.	1	1
Jail Register Number.	2	1558.
Name of Prisoner.	3	Bahiru.
Father's name and trade or occupation.	4	Arjun, Cultivator.
Caste.	5	Maratha.
Religion.	6	Hindu.
Native of what place. Town or Village.	7	Bagil.
Native of what place. Pergunnah or Taluka.	7	Chandagad Mohal.
Native of what place. District or Province.	7	Belgaum.
Trade or profession.	8	Cultivator.
Whether able to read and write, and what language.	9	Nil.
Crime.	10	Murder Section 302, I. P. C.
Date of Sentence.	11	6th January 1893.
Period of Sentence.	12	Transportation for Life 20 years.
Date of expiry of Sentence.	13	5th January 1913.
By what Court sentenced.	14	Session's Judge of Belgaum.
Age.	15	30 years.
Height. Feet.	16	5
Height. Inches.	16	$3\frac{1}{2}$
Measurement from tip to tip of middle finger with arms extended at right angles to body. Feet.	17	5
Measurement from tip to tip of middle finger with arms extended at right angles to body. Inches.	17	6
Cranial measurements.	18	1″—7¼″.
Personal Description.	19	A distinct mark of vaccination on each arm. Several brand marks on the abdomen of marking nut. Two scars on the back side of the left fore-arm; sizes 8 annas and 4 annas, above 4″ from the wrist; Irregular scar behind the left thigh $1\frac{1}{4}' \times \frac{1}{2}''$ in size, 7″ above the knee-joint.
Previous convictions with Section of Penal Code or other law, and date and period of sentence.	20	He had been convicted and sentenced under Section 323 of the I. P. C. as per entry on the P. H. sheet.
Surgeon's Report.	21	Health good.
Remarks.	22	Escaped 24th March 1894.

The Deputy Commissioners are requested to cause the convict, to be apprehended if found lurking anywhere within their Districts and to hand them over to the nearest Police Station within the British Territory.

V. P. MADHAVA RAO,
Inspector General of Police.
